# Quality Cast Stone for Any Project

**AHI** has been producing outstanding cast stone for over 21 years. Custom designs are developed for all scopes of projects. Architects specify our products as aesthetically appealing materials of proven durability for highly demanding projects. AHI is committed to manufacturing quality architectural cast stone at an affordable price with a focus on customer satisfaction and service. Your designs are always welcome in our custom shop and our design professionals are ready to assist you with your ideas.

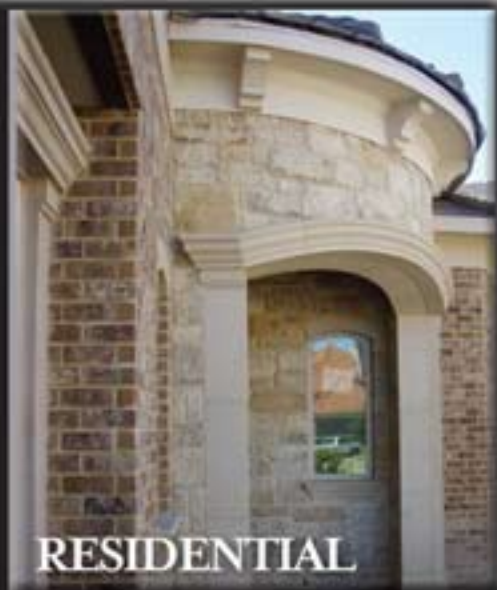

**W**e have the distinction of being the oldest, continually producing manufacturer of cast stone products in the Houston area. In 2001, we became a proud member of the Cast Stone Institute whose high standards of production guidelines and quality control requirements have become the benchmark in the industry. The home featured on the front was a **winner** from the Cast Stone Institute's Residential category.

AHI IS A MEMBER OF THE FOLLOWING ORGANIZATIONS

AHI PARTICIPATES IN:

RESIDENTIAL

HARDSCAPE

DECORATIVE

Since 1988, **AHI Supply** has produced a wide variety of cast stone products for new construction as well as restoration projects. Our product is often used on Texas projects, but we regularly ship cast stone throughout the nation.

City administrative buildings, community centers, museums, churches, hospitals, schools and universities, historical landmarks, monuments and hundreds of residential homes have all been enhanced with cast stone by AHI.
