

SPECTRUM ACRYLIC & ELASTOMERIC COATINGS WARRANTY

AHI warrants that SPECTRUM coatings, under normal weather conditions and applied on approved substrates, will perform satisfactorily for a period of five years from the date of purchase. AHI disclaims and assumes no liability for improper application, assembly, installation or use of Spectrum coatings/materials for all construction projects. AHI's sole liability and the buyer's exclusive remedy, is expressly limited at AHI's option, to either replacement of nonconforming coatings or repayment of the purchase price, less depreciation. AHI shall in no event be liable for any damages in excess of the purchase price of the defective product. AHI makes no other warranties or representation of any kind expressed or implied including warrant of merchantability or fitness for a particular purpose. Having no control over the use of these coatings, AHI will not guarantee finished work, nor shall AHI be liable for incidental, consequential or indirect damages affected by use of its coatings and materials.

This warranty shall apply only if the product is used in strict accordance to applicable specifications and instructions provided by AHI for its use, and AHI shall not be liable otherwise. Spectrum's coatings and materials are intended for use by qualified applicators and professional installers. All data sheets are intended to be used as a guideline to assist qualified applicators and professional installers.

This warranty constitutes the sole warranty given by AHI in connection with this product, and AHI has authorized no person to make or give any other warranties or representation, oral or written on its behalf. Use of these coating products constitutes full acceptance of AHI's warranty issues.
