AHI SUPPLY **IMPORTANT**

The Cast Stone samples are only intended as general representations of our standard colors. Cast stone is manufactured using natural aggregates that will vary slightly in color and texture which affect the final color. We suggest you request a production piece for comparison on projects where color matching is critical.

* Limited production colors are 50/50 Light, 50/50 Dark, & Tan. Limited production colors are subject to the minimum orders and additional fees below:

- Orders valuing less than \$350 will have an additional \$350 set-up fee.
- Orders valuing \$350 - \$1,000 will have an additional \$200 set-up fee.
- Orders valuing over \$1000 have no additional set-up fees.
